

# Howie Hawkins for 4th District Councilor

Green Party, Row F

## *A Community Activist for the 4th District*

Howie Hawkins has lived on South Side since moving to Syracuse in 1991. A Teamster who unloads trucks at UPS, Howie has been active in movements for peace, justice, labor, and the environment since the late 1960s. His past campaigns for Common Council and Mayor put living wages and public power on the city's agenda. Now we want to elect Howie to the Common Council so he can push city government from the inside to follow through on these and other issues.

## *What They Say About Howie Hawkins*

*Howie Hawkins is the most unwavering progressive I think I've met in New York State.*

— Ralph Nader (Post-Standard, Oct. 4, 2004)

*Hawkins is far and away the best candidate....As is his custom, Hawkins has shaped his campaign around a promise to provide a voice for the voiceless. He is a tireless activist for empowering the traditionally disenfranchised. He promises to be a councilor who "represents the community instead of the power structure."*

— Post-Standard Editorial endorsing Howie Hawkins for 4th District Councilor in 2001 (Oct. 30, 2001)
